Pregnant Mothers Center-Based Program Services

Greater Opportunities of the Permian Basin Inc. serves pregnant mothers and their families in a variety of service delivery models, and in diverse settings. A healthy pregnancy has a direct influence on the health and development of a newborn child. Greater Opportunities of the Permian Basin Inc. strives to have the greatest impact on participating children by offering supportive services as early in life as possible.

The prenatal period of growth and development has a lasting impact on the child's future for healthy growth and development after birth. Greater Opportunities of the Permian Basin Inc. will provide services to pregnant mothers and their families and through the child's first three years of life. Greater Opportunities of the Permian Basin Inc., continuously will support and give services providing the best opportunity for:

- Positive childbirth outcomes;
- Supportive postpartum care for the parents and child;
- Fully involving fathers in the lives of their very young children; and
- Nurturing and responsive care during infancy.

Greater Opportunities of the Permian Basin Inc. programs provide prenatal information through one-on-one classes, parent meetings, center engagement, and home visits on the following subjects:

Curriculum/Partners for a Healthy Baby	Family Development	Preparing for Baby
Center Engagement	Healthy Pregnancy	Fetal Development
Parent Involvement	Maternal and Family Health	Postpartum Depression
